As set forth in the Court's Notice of Tentative Ruling dated June 25, 2009, the Court is  
tentatively inclined to appoint a Special Master for purposes of preparing a Report and  
Recommendation regarding Plaintiffs' Motion to Enforce Parties' Class Certification Discovery  
Stipulation and Motion to Strike. Having considered the briefing submitted in connection with  
that motion, the Court concludes that it is a pretrial matter than cannot be effectively and timely  
addressed by this Court or by Judge Zimmerman, to whom the Court previously referred  
discovery disputes. *See* Fed. R. Civ. P. 53(a)(1)(C).
